The testing requirements apply to all travelers 12 years of age and older. Travelers of all ages are obliged to bring the filled out health declaration: <https://bonairepublichealth.org/en/form>.

* Fully vaccinated means that the final vaccination has been administered at least 2 weeks ago.

Testing requirements for traveling to the USA, Curacao, and the Netherlands:

- All airline passengers to the United States from age two years and older must provide a negative COVID-19 viral test taken within three calendar days of travel. Alternatively, travelers to the US may provide documentation from a licensed health care provider of having recovered from COVID-19 in the 90 days preceding travel.
<https://cw.usconsulate.gov/news-events/covid-19-information/>
- When traveling to Curacao, different rules apply for vaccinated and non-vaccinated travelers. For more information visit www.bonairecrisis.com.
- From August 8, 2021 you must show a corona certificate when traveling from Bonaire to the Netherlands.

Covid testing offered by Buddy Dive Resort:

- Buddy Dive resort offers antigen rapid tests and PCR – tests for your return flight. Please note that these tests are for your return flight only. The mandatory tests to travel to Bonaire will not be arranged by Buddy Dive Resort.
- **When departing on Saturday:** During your stay, you will receive a link/ QR-code, to schedule the appointment for your test. Please make sure to schedule your appointment within the required time frame.
- **When departing on any other day:** Contact the front desk to schedule your required test for departure.
- You will receive an official travel document from the laboratory with your test result.
- The costs for the antigen rapid test are \$65 per person, The costs for a PCR- test are \$125 per person and need to be paid directly when booking the test.
- All the procedures will follow the guidelines set by the Central for Disease Control and Prevention and RIVM.

In case of a positive test result:

- In case of a positive rapid test, Buddy Dive Resort will arrange a same-day PCR-test to exclude a false positive test. (\$125 per person at the expense of the client, charged to the room).
- In case the PCR-test will also result in a positive result Buddy Dive will have to communicate the results to the local authorities. They will decide the conditions and duration of the mandatory quarantine. Normally people that have tested positive have to remain free from symptoms for 24 hours before they are allowed to leave quarantine. Please note that the result of the PCR-test may take 48 to 72 hours.
- Buddy Dive will provide accommodation at Buddy Dive Resort free of charge for guests who booked a Drive & Dive package. This is based on availability and for the duration of the mandatory quarantine. The length of it is decided by the Public Health Department of Bonaire. Taxes, meals, and beverages are at the guests' own expense.
- In case there is no accommodation available, Buddy Dive will help to find suitable accommodation elsewhere on the island at the guests' own expense.
- We strongly recommend taking travel insurance that covers these expenses.
